For Sale : **€ 300**

Description
A rectangular field on sloping ground in open countryside, set within the community of Kampia in the Nicosia District. The land covers 1004 m² and sits in a landscape-led setting away from dense urban development, with the village centre a short drive away. Politiko and Pera are close by, and the Nicosia–Limassol motorway and the Lefkosia South Orbital Motorway are both within a reasonable drive. This sale is for a one-quarter share of the field. It is an uncomplicated rural land purchase: a piece of open, sloping Kampia countryside.
