For Sale : **€ 300**

Description
A small agricultural field in Kampia, with the village centre only a short drive away. The 233 m² plot is flat and south facing, with an irregular shape and direct road access. This makes it straightforward to reach and to work, and suited to low-intensity farming or planting in an open countryside setting.

The villages of Politiko and Pera are close by. The Nicosia–Limassol motorway and the Lefkosia South Orbital Motorway are both within a drive. This sale is for a one-quarter share of the field. The ground is level and open, and it is reached directly from the road.
