For Sale : **€ 3,000**

Description
This field on the market in Orounta, Cyprus, lies in open countryside within easy reach of the village. The land covers 8027 m² of agricultural ground with a smooth, even surface, suited to farming and planting. It has road access by a dirt track. The village centre is a short drive away, as are neighbouring Kato Moni and Agia Marina Xyliatou, while main roads, petrol stations and motorway junctions are a drive away. This sale is for a one-third share of the field. It is a versatile piece of farmland with level, workable ground.
