Description
This field in Platanistasa offers 2769 m² of open countryside ground in the Nicosia district. The land slopes and has an irregular shape. It sits in a landscape-led setting away from dense urban development. The village centre and the neighbouring villages of Fterikoudi and Alithinou are a short drive away. A petrol station is a drive away, and main roads, including the Astromeritis–Evrychou motorway, lie in the wider region.

The field has no direct road access. It is a generous, sloping parcel of countryside land within the Platanistasa community.
