For Sale : **€ 3,000**

Description
Set in the countryside outside the village of Agia Eirini, this agricultural field covers 3772 m² of sloping ground with an irregular outline. Its agricultural zoning suits farming or planting. The village centre is a short drive away, as are the neighbouring villages of Kannavia, Kourdali and Spilia. Petrol stations and the main roads that link the area with the wider Nicosia district are a drive further on.

This sale is for a half share of the field. It is an uncomplicated rural purchase: an inclined plot of farmland in a rural landscape, away from dense development.
