For Sale : **€ 5,000**

Description
An agricultural field for sale in Mitsero, set in open countryside a short drive from the village centre and the neighbouring villages of Agrokipia and Agioi Iliofotoi. The ground is even and the shape irregular, and the land suits farming or planting. It has no direct road access. Main roads, including the Nicosia–Deneia motorway, are a drive away, as is a petrol station. This sale is for a ten-eleventhshare of the field. It is a level, versatile piece of farmland in the Mitsero countryside.
