For Sale : **€ 1,750**

Description
An agricultural field in Palaiometocho, in the Nicosia District, with level ground for farming or planting. The field covers 1869 m² in total and lies within the village area, in an open countryside setting away from dense development.

The village centre, petrol stations and the neighbouring village of Kokkinotrimithia are a short drive away. So are the Nicosia–Deneia motorway and its junctions, which link the area with the rest of the district. This sale is for a one-quarter share of the field. Its even surface makes it a practical, uncomplicated piece of agricultural land.
