For Sale : **€ 1,000**

Description
For sale: a small field in Palaichori Oreinis, set in open countryside in the Nicosia district. The land measures 409 m², with an irregular shape and a sloping surface that follows the natural lie of the ground. It has no direct road access of its own.

The neighbouring villages of Apliki and Gourri are a short drive away, as is the well-known village of Fikardou, and main roads serve the wider region. This is a modest, uncomplicated piece of rural land in a landscape well away from dense development.
