For Sale : **€ 350**

Description
Agricultural land in the Kampos community of Nicosia district, set in open countryside away from dense development. The field covers 353 m², with an irregular shape and sloping ground, and rainwater streams run along two of its boundaries.

The village centre is a short drive away, as is neighbouring Tsakistra, with Kykkos a little further on and main roads in the wider region. The field has no direct road access of its own.

A compact, uncomplicated piece of rural land in the Kampos countryside.
