Description
A small Cyprus field in Palaichori Oreinis, set in an open rural landscape well away from dense urban development. The land covers 372 m², with an irregular shape and a sloping surface typical of the surrounding countryside.

It lies some way outside the village centre, within the community of Palaichori Oreinis in the Nicosia district. The neighbouring villages of Gourri, Apliki and Agios Epifanios Oreinis are a short drive away, and the main roads of the region are within wider reach.

A compact, uncomplicated piece of open land in the Nicosia countryside.
