For Sale : **€ 500**

Description
A small agricultural field in Kato Moni, in the Nicosia countryside, with direct road access. The plot measures 240 m² and has a roughly triangular shape on sloping ground. Its agricultural zoning makes it suited to planting or farming. Kato Moni's village centre is a short drive away, as are the neighbouring villages of Agia Marina Xyliatou and Agioi Iliofotoi. The wider main road network is also within a drive. This sale is for a half share of the field. It is a practical, uncomplicated piece of farmland in an open countryside setting.
