For Sale : **€ 64,000**

Description
Wide skies, open land and a beautiful natural environment set the tone for this generous field for sale in Peristerona, a village in the Paphos countryside where authentic Cypriot village life still sets the pace. Covering 6355 m² of gently sloping ground, it offers room to picture a home shaped around the landscape rather than squeezed into it.

The land is zoned for residential use, and its irregular outline and gentle fall give it a natural, unforced character. It is reached by a dirt track, adding to its relaxed rural setting.

Everyday needs are close at hand, with supermarkets and shops within walking distance. The village centre, cafés, restaurants, public service offices and parks are a short drive away, as are the neighbouring villages of Lysos and Meladeia. For weekends outdoors, Evretou Lake is also a short drive from the land, while main roads and the wider Polis Chrysochous area lie a drive away.

A spacious residential plot in Peristerona, surrounded by beautiful countryside and the welcoming rhythm of village life, this is land with genuine room to breathe.
