Description
This 33,780 m² field in Choletria offers a generous stretch of agricultural land in the Paphos countryside. The ground slopes and is irregular in shape, and the land has direct road access, so it is easy to reach for farming or planting.

The village centre and neighbouring Foinikas are a short drive away, with petrol stations close by. The Limassol–Paphos Motorway is within a drive for wider links across the district. This is a large, open piece of agricultural land with road access already in place.
