Description
Set in open countryside away from dense urban development, this agricultural field in Kelokedara, in the Paphos district, covers 5686 m². Its agricultural zoning suits farming or planting, or it can serve as a practical addition to a wider rural holding.

The neighbouring villages of Trachypedoula and Agia Marina Kelokedaron are a short drive away. The Limassol–Paphos Motorway and its junctions can be reached by car through the main roads of the region, linking the land with the rest of the district.

This is a versatile piece of agricultural land, offering 5686 m² of open ground in the Kelokedara countryside.
