For Sale : **€ 0**

Description
Set in an open countryside setting away from dense urban development, this field in Farmakas offers 883 m² of agricultural land. Its farming use makes it a practical addition to an existing agricultural holding, or a modest plot for planting and cultivation.

The centre of Farmakas is a short drive away, as are the neighbouring villages of Kampi and Lazanias, and a main road is within driving distance. A compact, uncomplicated piece of farmland in the Nicosia district.
