Description
This agricultural field in Statos-Agios Fotios covers 2007 m² of open countryside in the Paphos hills. Its agricultural zoning suits farming, planting or simply holding a piece of rural land. The village centre is a short drive away, as is neighbouring Galataria, and the Limassol - Paphos Motorway lies within the wider region. The field is offered together with other properties as part of a group sale. It is a well-proportioned, uncomplicated plot of farmland in an open countryside setting.
