Description
Agricultural land of 1338 m² in Statos-Agios Fotios, in the Paphos district. It is a versatile piece of land for farming or planting, set in an open countryside setting away from dense urban development. The village centre is a short drive away, and the neighbouring village of Galataria is also close by. Main roads and the Limassol–Paphos Motorway serve the wider region.

The field is offered as part of a group of properties rather than on its own. It is an uncomplicated agricultural plot in the Statos-Agios Fotios countryside.
