Description
Agricultural land in Stroumpi offers a field of 5686 m² in an open countryside setting, away from dense urban development. Zoned for agriculture, it suits farming or planting, or keeping a versatile piece of land in the Paphos district.

The Stroumpi village centre is a short drive away, as are the neighbouring villages of Polemi and Giolou and local petrol stations. The main roads, the Limassol to Paphos Motorway and its junctions are a drive away, keeping the wider district within reach.

This is a generous field of agricultural land with room to plant and farm.
