For Sale : € 588,000

Description

Premier Residential Plot for High-Value Living in Penhill, Latsia

This exceptional residential plot, situated in the prestigious and highly sought-after Penhill area of Latsia, presents a sophisticated opportunity for those seeking a balance between Small Development and High-Value Living. Located on an elevated hillside, this rare-to-find property offers amazing city views, making it a standout choice for a high-spec family residence or a boutique residential project. Boasting a robust building density of 80% within the Ka7 planning zone, the plot offers exceptional versatility and yield potential for any Cyprus real estate investment looking for a strategic foothold in a premium suburban location.

The plot's unique topography and technical parameters allow for a modern architectural project that maximizes both internal living space and the surrounding panoramic vistas. As a prime option among plots of land for sale in Latsia, it benefits from the established and upscale atmosphere of the Penhill neighborhood. Choosing G&P Lazarou trusted properties ensures you are acquiring a site with significant development potential and the security of an available title deed, providing a seamless foundation for capital growth or the creation of a prestigious residential retreat.
