Description
Agricultural land in Pentalia, this field covers 1673 m² of open ground in the Paphos countryside. Its agricultural zoning suits cultivation, planting or keeping it as a long-term land holding.

The village centre is a short drive away, as are the neighbouring villages of Faleia and Nea Pentalia. The main roads and the Limassol – Paphos Motorway can be reached by car, which keeps the wider district within easy reach. The field could also make a practical addition to an existing agricultural or rural property nearby. It is a versatile, well-proportioned field in an open countryside setting.
