Description
This agricultural field for sale in Pentalia offers 7024 m² of open land in the Paphos countryside. It is zoned for agricultural use, which makes it a versatile piece of ground for planting and cultivation, or a practical addition to an existing rural holding.

The centre of Pentalia village is a short drive away, as are the neighbouring villages of Faleia and Nea Pentalia. The main roads and the Limassol–Paphos motorway are within a drive, so the wider district is easy to reach. The setting is open and rural, away from dense urban development. This is a generous field of farmland in an open countryside setting.
