Description
An agricultural field for sale in Pentalia, Cyprus, set in open countryside in the Paphos district. The land measures 2676 m². That is a well-proportioned size for planting or farming, or for adding to an existing rural holding.

The village centre is a short drive away, as are neighbouring Faleia and Nea Pentalia. Main roads and the Limassol – Paphos Motorway are a drive away, so the wider district stays within reach.

The setting is landscape-led, away from dense urban development. This is a versatile piece of agricultural land in the Pentalia countryside.
