Description
This agricultural field in Agios Dimitrianos offers 911 m² of open countryside in the Paphos district. It is a manageable size for planting or growing on a modest scale, or a practical addition to nearby farmland. The village centre is a short drive away, as is the neighbouring village of Kannaviou. A petrol station and the main roads are within driving distance, and the Limassol to Paphos motorway serves the wider region. Its agricultural zoning suits farming use. This field in Agios Dimitrianos is a well-proportioned, uncomplicated piece of rural land.
