Description
A versatile piece of agricultural land in Agios Dimitrianos, this field of 1171 m² sits in an open countryside setting within the Paphos district. Its agricultural zoning suits farming or planting, or keeping a manageable plot of land within the village.

The village centre is a short drive away, as is Kannaviou - Melamiou. A petrol station and the main roads are within a drive, and the Limassol - Paphos Motorway lies in the wider region for longer journeys.

This is a compact, uncomplicated plot of agricultural land in the Paphos countryside.
