Description
This agricultural field in Agios Dimitrianos covers 1673 m² of open countryside in the Paphos district. Zoned for farming, it is a versatile piece of land for planting and cultivation, or a practical addition to a nearby agricultural holding. The village centre is a short drive away, as is neighbouring Kannaviou. A petrol station and the main roads are also within a drive, and the Limassol–Paphos Motorway lies in the wider region. Agios Dimitrianos keeps its rural character, with farmland away from dense development. This is a straightforward plot of agricultural land in the Paphos countryside.
