Description
This agricultural field of 5352 m² lies in an open countryside setting at Statos-Agios Fotios, in the Paphos district. It is zoned for agricultural use, so it can be farmed, planted or kept as a practical addition to other rural land. The village centre is a short drive away, as are the neighbouring villages of Pentalia and Faleia. Further afield, main roads and the Limassol - Paphos Motorway link the area with the rest of the district. It is a versatile piece of agricultural land in the Cypriot countryside.
