**Description**
This field in Farmakas offers 2007 m² of agricultural land in the Nicosia district. It sits in an open countryside setting, and its agricultural zoning makes it a versatile piece of land for farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Odou and Kampi. A main road can be reached by car, and the Nicosia–Limassol motorway serves the wider region. This is a plain, uncomplicated agricultural field in a landscape away from dense urban development.
