Description
An agricultural field for sale in Farmakas, Cyprus, set in an open countryside landscape within the Nicosia district. Its 6689 m² of agricultural land is a versatile piece of ground for farming or planting, and could equally sit well alongside an existing rural holding.

The field is a short drive from the Farmakas village centre, and the neighbouring villages of Odou and Kampi are also close by. A main road is a drive away, and the Nicosia - Limassol Motorway serves the wider region. This is a generous agricultural plot in a rural setting, away from dense urban development.
