Description
Set in open countryside in Statos-Agios Fotios, in the Paphos district, this agricultural field covers 10,034 m² of sloping ground with an irregular outline. Most of the land lies in an agricultural zone and suits farming or planting. Part of it falls within a protection zone. The field has road access. It sits not far from the church of Saints Photios and Anikitos, and the village centre is a short drive away, as is Lapithiou. The Limassol - Paphos Motorway serves the wider region. This is a sizeable piece of sloping farmland in a rural part of Paphos.
