Description
This agricultural field in Agios Dimitrianos offers 1338 m² of farmland in the open countryside of the Paphos district. It is a straightforward parcel that can be planted, cultivated or kept as a piece of the Cypriot countryside.

The village centre and neighbouring Kannaviou are a short drive away, and a petrol station and the main roads are within easy reach. The Limassol–Paphos motorway lies in the wider region. This is a versatile plot of agricultural land, set away from dense development.
