Description
Set in an open countryside setting in the Paphos district, this agricultural field in Kannaviou - Melamiou offers 1673 m² of land for farming or planting.

The village centre and neighbouring Agios Dimitrianos are a short drive away. A petrol station and main roads are within reach, and the Limassol - Paphos Motorway lies in the wider region. Its agricultural zoning suits cultivation, and the field could serve as a practical addition to an existing rural holding around Kannaviou. It is an uncomplicated piece of Cypriot countryside, zoned for agricultural use.
