Description
For sale: a field of 9319 m² in Statos-Agios Fotios, set in an open countryside setting in the Paphos district. This is agricultural land with a sloping surface and an irregular shape. It has direct road access, which makes reaching the land for work straightforward.

The village centre is a short drive away, as are the neighbouring villages of Pentalia and Faleia. Main roads are within a drive, and the Limassol - Paphos Motorway lies in the wider region. It is a generous, accessible piece of agricultural land, suited to farming or planting.
