For Sale : **€ 5,000**

Description
A 3011 m² agricultural field on sloping ground in the Farmakas countryside, with direct road access along one side. The land has a triangular shape and an inclined surface, and its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Odou and Kampi. A main road is within a drive, and the Nicosia to Limassol motorway serves the wider region. This Farmakas field is an uncomplicated rural land purchase: open agricultural ground with its own road access.
