For Sale : **€ 32,000**

Description
For Sale | Agricultural Field of 5,641 m² in Frenaros, Famagusta
An agricultural field measuring 5,641 m² is available for sale in Frenaros, Famagusta District, offering an opportunity for buyers seeking agricultural land in the Cyprus property market.
The property has a building density coefficient of 6% and a coverage coefficient of 6%. These planning characteristics provide scope to explore permitted agricultural uses and potential future development, subject to the applicable planning regulations and necessary approvals.
Located in Frenaros, the field benefits from a rural setting within the wider Famagusta District. The village offers a traditional countryside environment, while the nearby communities of Deryneia, Sotira and Paralimni provide additional shopping facilities, services and everyday amenities.
Its land area and planning coefficients make the property worth considering for buyers interested in agricultural use or longer-term land ownership. Any proposed construction or alternative use would need to comply with the relevant planning requirements.
For further information about the field and its planning characteristics, contact our team to discuss the property or arrange a viewing.
