Description
Set within the community of Statos-Agios Fotios in the Paphos district, this agricultural field covers 11,195 m² of sloping ground with an irregular shape. It fronts a public road along one of its boundaries, so it has direct road access. The village centre and the neighbouring villages of Pentalia and Faleia are a short drive away, and the Limassol - Paphos Motorway lies in the wider region.

Most of the land is zoned for agricultural use. Part of it falls within a protection zone. This is a sizeable piece of sloping farmland with its own road frontage.
