Description
This field listed in Theletra offers 4348 m² of agricultural land in an open countryside setting in the Paphos District. It is a versatile piece of land for farming or planting, and it has direct road access along a dirt road. The ground is uneven and the shape irregular.

The Theletra village centre is a short drive away, as are neighbouring Pano Akourdaleia and local petrol stations. Main roads are within a drive, and the Limassol–Paphos Motorway serves the wider region. It is a practical addition to an agricultural property. This is a straightforward plot of farmland in the Paphos countryside.
