Description
An agricultural field is on the market in Kelokedara, Cyprus, set in open countryside in the Paphos district. The land covers 6689 m² of sloping ground with an irregular shape. Its agricultural zoning makes it a field for farming or planting. The field has no direct road access of its own. The village centre is a short drive away, as are the neighbouring villages of Salamiou and Trachypedoula. The Limassol–Paphos Motorway and other main roads are within reach in the wider region. This is a generous piece of farmland in the countryside around Kelokedara.
