For Sale : **€ 300**

Description
A compact field in Farmakas, Cyprus, set on agricultural land in the Nicosia countryside. The plot measures 75 m², has an irregular shape and a sloping surface, and enjoys direct road access.

The field sits in an open countryside setting. The village centre is a short drive away, as are the neighbouring villages of Kampi and Odou, and a main road can be reached by car. Its size and road access make it a practical addition to an agricultural or rural property. This is a small, uncomplicated piece of farmland with its own road access.
