Description
This agricultural field in Avgorou covers 7,411 m² of open countryside in the Famagusta district. Its agricultural zoning suits farming and planting, and it would make a practical addition to an existing agricultural holding or a straightforward start for a new one.

The village centre and petrol stations are a short drive away, as is neighbouring Acheritou. Liopetri and the Larnaca – Agia Napa motorway are within driving reach, along with other main roads that connect the area.

At over 7,000 m², this is a generous, uncomplicated piece of farmland set among the fields around the village.
