Description
This field in Avgorou lies in open farming country, a short drive from the village centre. It is agricultural land with an even surface and an irregular outline, suited to cultivation or planting. The field has no direct road access.

The neighbouring villages of Liopetri and Acheritou are also a short drive away, and the Larnaca–Agia Napa motorway serves the wider area. This sale is for a one-seventh share of the field. It is a versatile piece of land with level ground in an agricultural zone.
