Description
A level agricultural field in Avgorou, set in open countryside a short drive from the village centre. The ground is even with an irregular outline. As agricultural land it is suited to farming or planting. The field has no direct road access.

The neighbouring villages of Liopetri and Acheritou are a short drive away, as are petrol stations, and the Larnaca – Agia Napa Motorway can be reached by car. This sale is for a one-seventh share of the field. It is a versatile piece of Avgorou farmland, with flat, even ground for cultivation.
