Description
Ancient Idalion lies a short drive away, and Chalkanoras Stadium is within walking distance. This residential field in Panagia Evangelistria, Dali, sits in an established setting where the history of the area and the ease of daily life sit side by side. With 1264 m² of land zoned for residential use, it offers a generous canvas for a family home shaped around your own plans.

Everyday needs are close at hand. Schools, a supermarket, restaurants and cafés are all a short drive away, as are the town centre, a petrol station and a public service office. Neighbouring Potamia and the heritage site of Agios Sozomenos add more to explore nearby, so weekends can bring a walk through the past as easily as a relaxed lunch out.

Getting around is simple. The main roads and motorway junctions are a short drive away, so the Nicosia–Larnaca Motorway puts both cities within easy reach.

A well-proportioned piece of land in Dali, with a neighbourhood feel close by and a story that reaches back thousands of years.
