Description
An agricultural field on the market in Moutoullas, Cyprus, offering 1041 m² of open countryside ground for farming or planting. Its agricultural zoning makes it a versatile piece of land, and its size could suit a practical addition to an existing rural holding.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Pedoulas and Kalopanagiotis, and the main roads are within a drive. Around Moutoullas, the setting stays rural, away from dense urban development. This is an uncomplicated purchase of agricultural land in a non-urban setting.
