Description

For Rent 2 Bedroom Apartment In Agioi Omologites, Nicosia

High-Elevation 6th-Floor Living in Nicosia's Prestigious City Center Fringe

Step into a lifestyle of absolute comfort and security with this impressive 2-bedroom executive apartment available for rent in the upscale, highly central residential enclave of Agioi Omologites, Nicosia. Positioned proudly on the 6th floor of a well-maintained, premium residential tower, this property delivers sweeping panoramic views across the capital's skyline alongside immediate access to the urban center. It represents an unparalleled rental match for corporate executives, embassy diplomats, medical professionals, or modern urban couples demanding high-end technical infrastructure combined with Nicosia's ultimate walkable commercial proximity.

Expansive Interior Footprint & Superior Functional Layout

Every square meter of this high-altitude residence has been intelligently optimized to balance privacy with a flowing social design: Optimal Bedroom & Sanitary Setup: Configured with 2 spacious bedrooms fitted with floor-to-ceiling wardrobe storage, directly serviced by 2 pristine bathrooms (including a main bathroom and a private en-suite configuration) to easily accommodate busy household routines.

Indoor-Outdoor Transitional Flow: The bright, expansive open-plan living and dining zones transition out perfectly onto deep covered verandas, offering a spacious, shaded outdoor viewing platform for fresh-air relaxation, evening wind-downs, or morning coffee.

Comprehensive Advanced Climate Engineering & Heavy-Duty Utilities

Engineered to deliver effortless thermal comfort through every extreme Mediterranean season while keeping your utility overheads completely optimized:

Central Heating Infrastructure: Equipped with a fully integrated central heating system running throughout all rooms, ensuring a warm, uniform, and comfortable interior environment during cooler winter months.

Total Climate Engineering: Fully outfitted with high-performance air conditioning split units across all living zones and bedrooms for rapid, high-efficiency cooling performance all summer long.

Thermal & Acoustic Double Glazing: Built with high-specification double-glazed windows that form a tight thermal barrier, trapping climate-controlled air inside while completely insulating the flat from external city sounds.

High-Pressure Engineering: Features an advanced, heavy-duty pressure water system, ensuring a uniform, strong water force across both bathrooms simultaneously.

Secure Vertical Mobility & On-Site Logistics

Smooth Elevator Access: Serviced by a secure, high-speed modern elevator system, ensuring effortless, step-free transit from the ground floor common areas right up to your 6th-floor entrance.

Vehicle Protection: Includes an allocated, private covered parking space explicitly assigned to the apartment, shielding your vehicle from sun damage and eliminating the daily stress of searching for street parking.
