Description
Sizeable farmland in Avgorou, a short drive from the village centre and from neighbouring Liopetri. The field covers 19,665 m² of even ground with an irregular outline. It lies in an agricultural zone, where its plain use is farming and planting. The level surface makes working the land straightforward.

The land has no direct road access. The sale is for a 1/3 share of the field. This is a large, level stretch of agricultural ground in the Avgorou countryside.
