Open countryside, level ground and green spaces
right alongs...

For Sale : **€ 3,000**

Description
Open countryside, level ground and green spaces right alongside: this field for sale in Achna sits in a landscape-led setting well away from dense urban development, not far from Achna Reservoir and the gentle farmland that surrounds this corner of the Famagusta district.

The land is even underfoot and spacious, giving a real sense of room and sky. Achna itself offers authentic Cypriot village life, with restaurants, cafés, petrol stations and public service offices a short drive away. Neighbouring Avgorou, with its community stadium, is close by. Schools, supermarkets and shops are a drive away in the surrounding villages, including Xylotymbou and Ormideia.

When the wider island calls, main roads and the Larnaca to Agia Napa motorway are within a reasonable drive, so the coast and the larger towns stay comfortably within reach.

This sale is for a one-sixth share of the field. It is an honest, uncomplicated piece of Cypriot countryside, rooted in a village with a strong local identity and surrounded by open green space.
