Open countryside, a wide sky and green space
right next door...

For Sale : **€ 500**

**Description**
Open countryside, a wide sky and green space right next door set the scene for this field in Achna, a village with a strong local identity in the Famagusta district. The setting is landscape-led, away from dense development, with the reservoir close by and a slower pace of life all around.

The land is level and triangular in shape. It offers an uncomplicated holding in authentic village surroundings, where the countryside is the main attraction.

Everyday needs are within easy reach. Restaurants, cafés, petrol stations and public service offices are a short drive away, as is neighbouring Avgorou with its community stadium. Schools, supermarkets and shops are a drive away, and the Larnaca to Agia Napa motorway connects the area with the coast and the wider island.

This sale is for a one-sixth share of the field. It is a piece of the authentic side of Cyprus, in a setting with character and a close connection to nature.
