For Sale : **€ 0**

Description
Agricultural land in Akaki, in the Nicosia district: a field of 2,676 m² set in open countryside, away from dense urban development. Its agricultural zoning suits farming, planting or simply keeping a versatile piece of land in a rural setting. The village centre is a short drive away, as are the neighbouring villages of Orounta and Meniko, petrol stations and the main roads. The Nicosia to Deneia motorway and its junctions are a drive away. This field is offered together with other property rather than on its own. It is a well-proportioned, uncomplicated plot of farmland in the Akaki countryside.
