For Sale : **€ 11,000**

Description
A level, rectangular field of 8,877 m² is on the market in the open farming countryside of Avgorou, Cyprus. It is agricultural land, and its even ground and regular shape suit cultivation and planting. The field has no direct road access.

The village centre and petrol stations are a short drive away, as is neighbouring Liopetri, and the wider area links to the Larnaca–Agia Napa Motorway. This sale is for a one-third share of the field. It is a well-proportioned piece of flat agricultural land in an open countryside setting.
