Description
Quiet and beautiful, the countryside around Kaliana sets an easy, unhurried rhythm. In this Nicosia district community, authentic village life carries on at its own pace, and the green slopes of Troodos National Forest Park are only a short drive away.

The field covers 1,673 m² of residential land, offering room for a home in a peaceful village setting. Its shape is irregular and its surface uneven, so any plans would need to follow the lie of the land. The field has no direct road access.

For days out, the Cyprus Train Museum is also a short drive away, adding a touch of local heritage to the surroundings.

This is an honest, uncomplicated piece of residential land, valued for its calm setting and the village life that surrounds it.
